Commissioner For Patents
P.O. Box 1450

March 21, 2006

Sir:

Receipt is acknowledged of the official Notification of Allowance papers, dated January 13, 2006. However, in reviewing the file history, it is noted that a Suspension of Action for a period of three (3) months was requested on the above-identified application, pursuant to 37 CFR §1.103(c), in the Request for Continued Examination (RCE) Transmittal, which was filed along with a Submission (Amendment) under 37 CFR §1.114 on December 21, 2005. The fee amount for the Suspension of Action Request was also paid at that time. Accordingly, applicants, through their undersigned representative, respectfully request that the above-identified application be withdrawn from issue and that prosecution be re-opened for the purpose of having the accompanying Supplementing Amendment entered into the record and duly considered by the Examiner in connection with a first Official Examination on the Merits subsequent to the filing of the RCE papers. This request is considered appropriate in view of the fact that the accompanying Supplementing Amendment is being filed within the three months window of the above-noted "Suspension of Action". The USPTO's consideration in this regard will be greatly appreciated.

Kindly charge any shortage in fees due in connection with the filing of this

paper, including extension of time fees, to the Antonelli, Terry, Stout & Kraus, LLP
Deposit Account No. 01-2135 (Docket No. 843.41127X00) and please credit any
excess fees to such deposit account.

Respectfully submitted,
